Dear: Honorable Judge Drain

Your Honor, I 'am writing this letter of **objection** to the courts motion on Case No. **05-4481** chapter 11 bankruptcy filed by the\*\* Delphi Corporation.

On behave of all the Delphi Salaried employees and myself I'am requesting that the motion for order to terminate employer-paid post retirement health care benefits and employer-paid post-retirement life insurance benefits **not be terminated**. This will put undue hardship on me and other retired salaried employee.

As an GM/Delphi employee for 21 years I made a co-payment for health and life insurance with the under standing that this would be there in retirement ,part of this health care and life insurance was paid be the Delphi employees.

Respectfully, yours

Richard Glaze
